

TAP Lifetime Achievement Award

Download the Application (PDF)

The TAP Lifetime Achievement Award will be presented to an individual who has demonstrated exceptional dedication and made an outstanding contribution to the A/E/C industry in central Indiana.

PURPOSE

The purpose of the TAP Lifetime Achievement Award is to:

- Provide peer and industry recognition for a worthy individual who has demonstrated value through their organization and individual efforts within the A/E/C industry and/or through their membership/leadership within TAP affiliated associations.
- Provide an opportunity for sharing examples of exemplary leadership and integrity within the A/E/C industry.
- To acknowledge the dedication and commitment of an individual that demonstrates excellence in management, leadership, and discipline of choice for their organization and the representative TAP affiliated association.

CRITERIA

Award criteria:

1. 25+ years of positive, long-lasting impact/influence/involvement within the A/E/C industry
2. Involvement with, or support of a TAP affiliated association
3. Evidence of a career-long performance record with multiple quality achievements as a contributor within the A/E/C industry
4. Three letters of support: One each from a professional colleague, the organization's leadership team, and the TAP affiliated association Board of Directors for the candidate

NOMINATIONS

All nominees for the Award must be currently employed at/or retired from an organization that supports TAP. Nominations for this Award can come from a central Indiana based A/E/C industry organization or a TAP affiliated association member.

The deadline for submitting the TAP Lifetime Achievement Award application for the upcoming competition is December 10, 2021.
